# COCKTAILS

STOP HATIN' START TASTIN'

---

## THE ONE WITH CANDY

*Our recipe is made from a favourite peach candy! We've shaken up apricot, peach, strawberry, lime & a lovely vodka.*

*Easy to drink. So be careful!*

**Bonus info:** A bit sweet - just like you

## THE ONE WITH PASSIONFRUIT

*Need we say more? Our twist has its roots from the famous Pornstar Martini with vodka, vanilla, lime & passionfruit. Yum!*

**Bonus info:** Sweet & fresh - just like you

## THE ONE WITH LICORICE

*The Vikings travelled regularly to England to share their licorice. That's all they did, okay? They came back with raspberries, Pamperorum, lemon & anis, which they mixed with their licorice. Success!*

**Bonusinfo:** Don't order it, if you don't like licorice

## SOLERO, POR FAVOR!

*You can come a long way with politeness. We've mixed vodka, passionfruit, vanilla & coconut milk to obtain this sweet and creamy cocktail. Be sweet!*

**Bonus info:** Sweet & creamy - just like you

## PALOMA

*1 tequila, 2 tequila, 3 tequila, floooooor!*

*A house favourite to enjoy during a busy shift. I am quite sure that our bartender Philip has never fulfilled a shift without a Paloma or five in his system.*

*José Cuervo tequila, fresh lime, agave & 3 cent grapefruit soda.  
Ariba!*

# IF YUO CAN RAED TIHS, YUO NEED ANTOHER DRIKN

---

## DARK N' BODIL

*Denmark had an absolutely crazy storm in 2013. What an event! Anyway... here is our house Dark N' Stormy with a Kraken spiced rum, fresh lime & 3 cent ginger beer.  
As fresh as a Prince of Bel-Air.*

## ESPRESSO MARTINI

*If you do not know this cocktail, then simply order it.  
Then you know it!  
Ketel One vodka, fresh espresso, coffee liqueur & vanilla.*

## GRASSHOPPER

*If you enjoy the taste of After Eight chocolate, you will LOVE this beautiful & green cocktail. We use Giffard Mint Liqueur, chocolate & soy-based coconut milk.  
Bonusinfo: Freddy's favourite cocktail!*

## DON'T KILL KENNY

*Our bartender, Kenny, has been working his magic behind the bar ever since we opened our doors for the very first time. What better way to honor him, than by putting his favourite cocktail on the menu?  
Tanqueray gin, homemade tea-syrup, fresh lemon juice & vegan foamer.*

**Bonusinfo:** Kenny's nickname is "Titties". Use it.

## AL PACINO

*The classic whiskey sour with a splash of some lovely Italian amaretto. If you haven't watched the movie 'The Godfather', please do so. Today would be great. Tomorrow is also acceptable.  
Bonusinfo: Aidan's favourite cocktail!*

# IF JESUS DIDN'T WANT US TO DWINK, WHY MAKE DAT WINE THEN?

---

## RUM FORREST, RUM!

*The legend says that Tom Hanks ran across the country in frustration of not having the recipe for our drink. To comfort him we revealed that it consists of 4 different types of rum, fresh lime, passionfruit & almond syrup.*

*And of course, fire on top!*

## PICK-UP LIMES

*A very modern cocktail as it is hard to identify what it is. Is it sweet, sour, strong or a mix of everything?*

*You rarely create a tiki without picking up limes. Also, a good bartender need to master his pick-up lines, right?*

*House Zombie with 3 different types of rum, grenadine, cinnamon, pineapple, lime, bitters & an absinthe kiss.*

## JOSÉ, EL POOLBOY

*We've got ourselves a new tequila! "José Cuervo Tradicional" is made solely by using the blue agave, making it a muy delicioso product.*

*Rumour has it that this tequila is the reason for many Mexicans running straight into the wall instead of climbing over it.*

*Did we cross a line there? Get it?*

*If you're shaken up right now, it's okay, so is this drink.*

*We've shaken up the tequila with habanero chili, pineapple, lime & agave.*

## HARAMBÉ

*Harambé is back, baby! We've promised our regulars to bring it back, and here it is. Our house Piña Colade with a banana twist in loving memory of the late silverback gorilla, Harambé.*

*What a great monkey.. RIP.*

# ONLY IDIOTS DRINK THESE AND DRIVE. DON'T BE AN IDIOT

---

## 7 WEEKS LATER

*Sssshhhh... please keep your voice down. The rum is sleeping! Our bartender, Aidan, has mixed Pampero Seleccion Rum, honey, orange & bitters in an oak barrel.*

*He then sang a good night song with his angelic voice.*

*7 weeks later this amazing Old Fashioned woke up, all ready for you.*

## CHAI-TINI

*Our delicious chai cocktail is back! A creamy bastard with a whole lotta taste. This drink is one of our regulars' favourite with mouthwatering tastes like chai, Baileys & bourbon.*

*Sweet & spiced! Give it a go. Or don't. It's okay.*

## CASPER, THE FRIENDLY COCKTAIL

*It is not just behind the bar that we can work our magic, but also in the bedroo... KITCHEN!\*\* In our kitchen we have filtered this cocktail (many times...) so you can enjoy this silky smooth & transparent whiskey sour twist with chestnut and cinnamon.*

*Your thoughts right now:*

*"You people are wild and you are more than welcome to come and be wild in my kitchen."*

## LONG STORY LONG

*The Long Island Iced Tea was originally invented by mixing all the spirits you had with some lemon and sugar. You would then add a splash of Coca Cola to mimic the appearance of an Iced Tea, so the police wouldn't notice. Why? 'Cause it was goddamn illegal to consume alcohol during the prohibition period in the states from 1920 -1933.*

*Our spirits in this strong mofo is Ketel One Vodka, Tanqueray gin, Pampero rum, José Cuervo tequila & Triple Sec.*

**Bonusinfo:** Amazing colour!

## BLUE DINO-SOUR

*History proves that the dinosaurs went extinct due to the T-Rex not giving each other time to enjoy Pampero rum, Falernum, blue curacao, pineapple juice & fresh lemon.*

*So they all died, and the T-Rex had no more prey. Sad story...*

*So if you don't want humanity to become extinct, you know what to order.*

## MATCH 67

*Two of our lovely regular guests are getting married this summer! That deserves a cocktail on our menu.*

## SALTY COBY

A "Salty Dog" cocktail with Tanqueray gin, fresh lime & grapefruit. Just as feisty as the owner's dog, Coby!  
The more of these you order, the more dog treats, Sebastian can buy for cute little Coby. You know what to do.

## RHUBARBARINHA

Our bartender Philip had a wild trip to Brazil a few years back. He brought back many crazy stories. Ask him for one! Obrigado!  
Brazil's national spirit is Cachaca so we've used just that with fresh lime & homemade rhubarb syrup.  
Simple & super tasty.

## WILLY TONKA

An Old Fashioned with Bulleit Bourbon, chocolate bitters & tonka bean.

## HAVE YOU MET BAILEYS?

My milkshake brings all the boys, girls, they/thems etc.. to the yard!  
Do you pronounce it Bailey or Baileys? The right answer is Baileys.  
Now that you've learnt something new, you deserve a milkshake with Baileys, whisky, homemade tonka bean syrup, coffee & vanilla ice cream. Legen-wait-for-it-DAIRY!
