THE ONE WITH CANDY

Our recipe is made from a favourite peach candy! We've shaken up apricot, peach, strawberry, lime & a lovely organic Koskenkorva Vodka. Easy to drink.
Be careful!

THE ONE WITH PASSIONFRUIT

Need we say more? Our twist has its roots from the famous Pornstar Martini with vodka, vanilla, lime & passionfruit. Yum!

THE ONE WITH LICORICE

The Vikings travelled regularly to England to share their licorice. That's all they did, okay? They came back with raspberry, rum, lemon & anis which they mixed

THE ONE WITH CRACK

Danish/Irish comedian Simon Talbot has made a smooth & tasteful caramel moonshine & named it "Crack". We've mixed it with chai, South African Amarula & coconut milk.
"Let's have a crack!"

THE ONE WITH CUCUMBER & ELDERFLOWER

Did you know that there are live cucumbers in the sea? It's true. They ain't pretty, but this drink sure is. Freshly pressed cucumber, elderflower liqueur, gin, lemon & sparkling water is what makes this as fresh as a Prince of Bel Air.

THE ONE WITH RASPBERRY & GINGER

This cocktail was created for the late Princess Diana's brother - Earl Spencer. It combines fresh ginger, raspberry, vodka & lemon. #facts

THE ONE WITH BEER

Many cocktails with beer exists out there in our crazy world. One of the most popular ones is the "Lagerita". It combines tequila, orange liqueur, lime & of course a light beer to top with. A fantastic cocktail for the beer & cocktail lovers.

Maybe a Negroní? Or a Cosmopolitan?

AL PACINO

The classic whiskey sour with a splash of some lovely Italian amaretto. If you haven't watched the movie 'The Godfather', please do so. Today would be great. Tomorrow is also acceptable.

YOU'VE GOT AIRMAIL

Spiced rum, honey, lime, orange & rosé cava. Refreshing and full of taste.

DARK N' BODIL

MY CUP OF TEA

You like Gin Sours? I bet you do! We've shaken up Bombay gin with fresh lemon, aquafaba & a homemade strawberry-rhubarb tea syrup.

PALOMA

Tequila, grapefruit, fresh lime. Simple, classic & just fantástico!

Do you remember who he was? RIP <3

NORDIC ZOMBIE

A nordic twist on the Zombie cocktail with homemade sea buckthorn purée, mixed berries, gin & cinnamon.

RUM FORREST RUM! 🔥

The legend says that Tom Hanks ran across the country in frustration of not having the recipe for our drink. To comfort him we said 4 different types of rum, fresh lime, passionfruit & almond syrup. And of course fire on top!

GRASSHOPPER

Then you know it!

INSOMNIAC

Imagine an ice coffee but with booze. What a mix right?
Hazelnut & Borghetti coffee liqueur mixed perfectly with vodka, espresso & coconut milk.
Yummy in my tummy.

ESPRESSO XOXO

We've acquired some of the last bottles of Patron XO. A tequila based coffee liqueur which Citizen's captain, Sebastian, simply cannot live without. He has mixed the coffee tequila with mandarin liqueur & fresh espresso.
Live a little! Try it!
