GO DRUNK, YOU'RE HOME!

THE ONE WITH CANDY

Our recipe is made from a favourite peach candy! We've shaken up apricot, peach, strawberry, lime & a lovely organic Koskenkorva Vodka. Easy to drink. Be careful!

THE ONE WITH PASSIONFRUIT

Need we say more? Our twist has its roots from the famous Pornstar Martini with vodka, vanilla, lime & passionfruit. Yum!

THE ONE WITH LICORICE

The Vikings travelled regularly to England to share their licorice. That's all they did, okay? They came back with raspberry, rum, lemon & anis which they mixed with their licorice. Success!

THE ONE WITH CRACK

Danish/Irish comedian Simon Talbot has made a smooth & tasteful caramel moonshine & named it "Crack". We've mixed it with chai, South African Amarula & coconut milk. Creamy!
"Let's have a crack!"

THE ONE WITH SEA BUCKTHORN

If Northern bartenders conquered a tiki bar in the Caribbean, their attempt on tasteful & exotic tiki cocktails would probably end up like this. Lots of gin & homemade sea buckthorn deliciousness!

THE ONE WITH CUCUMBER & ELDERFLOWER

Did you know that there are live cucumbers in the sea? It's true.

They ain't pretty, but this drink sure is. Freshly pressed cucumber, elderflower liqueur, gin, lemon & sparkling water is what makes this as fresh as a Prince of Bel Air.

THE ONE WITH FOAM ON TOP

Homemade raspberry foam on a classic gin based Clover Club?

Gimme one of those pretty please!

THE ONES WITH COFFEE

ESPRESSO MARTINI

If you do not know this cocktail, then simply order it.

Then you know it!

INSOMNIAC

Imagine an ice coffee but with booze. What a mix right? Hazelnut & Borghetti coffee liqueur mixed perfectly with vodka, espresso & coconut milk. Yummy in my tummy.

ESPRESSO XOXO

We've acquired some of the last bottles of Patron XO. A tequila based coffee liqueur which Citizen's captain, Sebastian, simply cannot live without. He has mixed the coffee tequila with mandarin liqueur & fresh espresso.

Live a little! Try it!

KEEP CALM & DRINK IT ALL

AL PACINO

The classic whiskey sour with a splash of some lovely Italian amaretto. If you haven't watched the movie 'The Godfather', please do so. Today would be great. Tomorrow is also acceptable.

DARK N' BODIL

Denmark had an absolutely crazy storm in 2013. What an event! Anyway... here is our house Dark N' Stormy with fresh ginger & a lovely spiced rum!

PALOMA

Tequila, grapefruit, fresh lime. Simple, classic & just fantástico!

HARVEY WALLBANGER

A classic cocktail enjoyed by a surfer who ended up stumbling into the walls after too many drinks. He liked his vodka mixed with orange & vanilla. A great alternative to passionfruit cocktails.

MANGO MOJITO

Many bartenders dislike making mojitos. We love it! Lots of mint, rum, lime & of course - mango!! Deliiiiish!

RUM FORREST RUM! 🔥

The legend says that Tom Hanks ran across the country in frustration of not having the recipe for our drink. To comfort him we said 4 different types of rum, fresh lime, passionfruit & almond syrup. And of course fire on top!

Díng díííííng - Time for tea!

YOU'RE THE ONLY TEN-I-SEE

This cocktail has its roots in Lynchburg, Tennessee. American whiskey, orange liqueur & fresh lemonade. A house favourite!

Yihaaaa!

99 PROBLEMS BUT A SPRITZ AIN'T ONE

Summer without a spritz..? Is that possible?

Our house spritz is made with rosé cava, fresh fruits & luxardo bitter.

GRASSHOPPER

It is back on the menu! A classic cocktail with mint & chocolate. Tastes like After Eight chocolate, with the color of a grasshopper.

Wait what?
