WELCOME TO OUR ALCOHOL-FREE COCKTAIL MENU

FOR YOU WHO SIMPLY WANTS
TO AVOID CALLING YOUR EX

VOLÉE-VOUS

“Voulez-vous coucher avec moi, ce soir ce soir?”

A thirst-clenching spritz using the alcohol-free

Volée aperitif, fresh orange, cucumber &

3 Cent Aegean Tonic

ESPRESSO MARTI-NO

If an espresso martini got pregnant and didn't contain
any alcohol, it could very well taste like this.

Alcohol-free rum, fresh espresso, vanilla & coconut milk

POPPIN' CHERRIES SINCE '23

Grab some fresh mint, lime, sugar & extract the oils,
flavour & juices. Pop open an incredible cherry soda
from 3 Cent & voilà. A non-alcoholic mojito that we know
that you will “cherish”. ← Hilarious.

PASSIONATE DRIVER

We love our passionfruit in our cocktails, but you
beautiful mocktail drinkers should also have the chance
to enjoy this fantabulous fruit. We've mixed it with
orange, vanilla, fresh lemon and sparkling soda.

Yummy in my tummy.
